World Book Day 7th March 2019

The Nursery will be taking part in World Book Day. It would be great if your little one could come to nursery dressed as a character from their favourite book. If book characters are unavailable any costume will do to allow everyone to take part.

We look forward to seeing everyone dressed up!

Nursery Access and Zebra Crossing

The road leading up to the Nursery main door is for deliveries and Family Centre minibus only. We kindly ask parents not to use this as a drop off zone or to open the large gates. This is a Health and Safety risk and we have the children's safety as our utmost priority. Thank You!

We have had a busy month in the nursery with lots of children engaged in many different activities. Our outdoor area had our very own CID recruits (Curiosity, Investigating, and Discovering). These skills have been shown when exploring our rock pile for minibeasts, investigating different materials for den building, forest walks and during discussions on fire safety outdoors.

The children have also been using their mathematical skills for measuring and weighing the ingredients needed to make bread, cakes, and soup.

OUR BAKING COMPETITION IS ON TWITTER.

Use your CID skills by checking out your child's interests on our planning wall.

Please feel free to add a note of what your child is talking about at home.

Appropriate Clothing

Just a little reminder that rain, hail or shine we always aim to have the children outdoors, getting lots of fresh air whilst playing and learning. We therefore ask kindly that footwear and clothing is appropriate. Also, please ensure a spare change of clothes is in their bags, just in case they get wet or dirty whilst doing so. Please also ensure all items are labelled with your child's name in case anything goes missing.

Thank you for your cooperation with this!
